

At the Helsinki Airport, take the train P or I, they both goes to Helsinki centre, travel to the end stop which is Helsinki Main Railway Station.

Buy the ticket to Helsinki from the train. This train trip takes ca. 25-30 mins.

1.

From the Helsinki Railway Station (Helsingin Päärautatieasema) walk 200 metres to Tram stop, which is between Lasipalatsi and Sokos store, at Mannerheimintie.

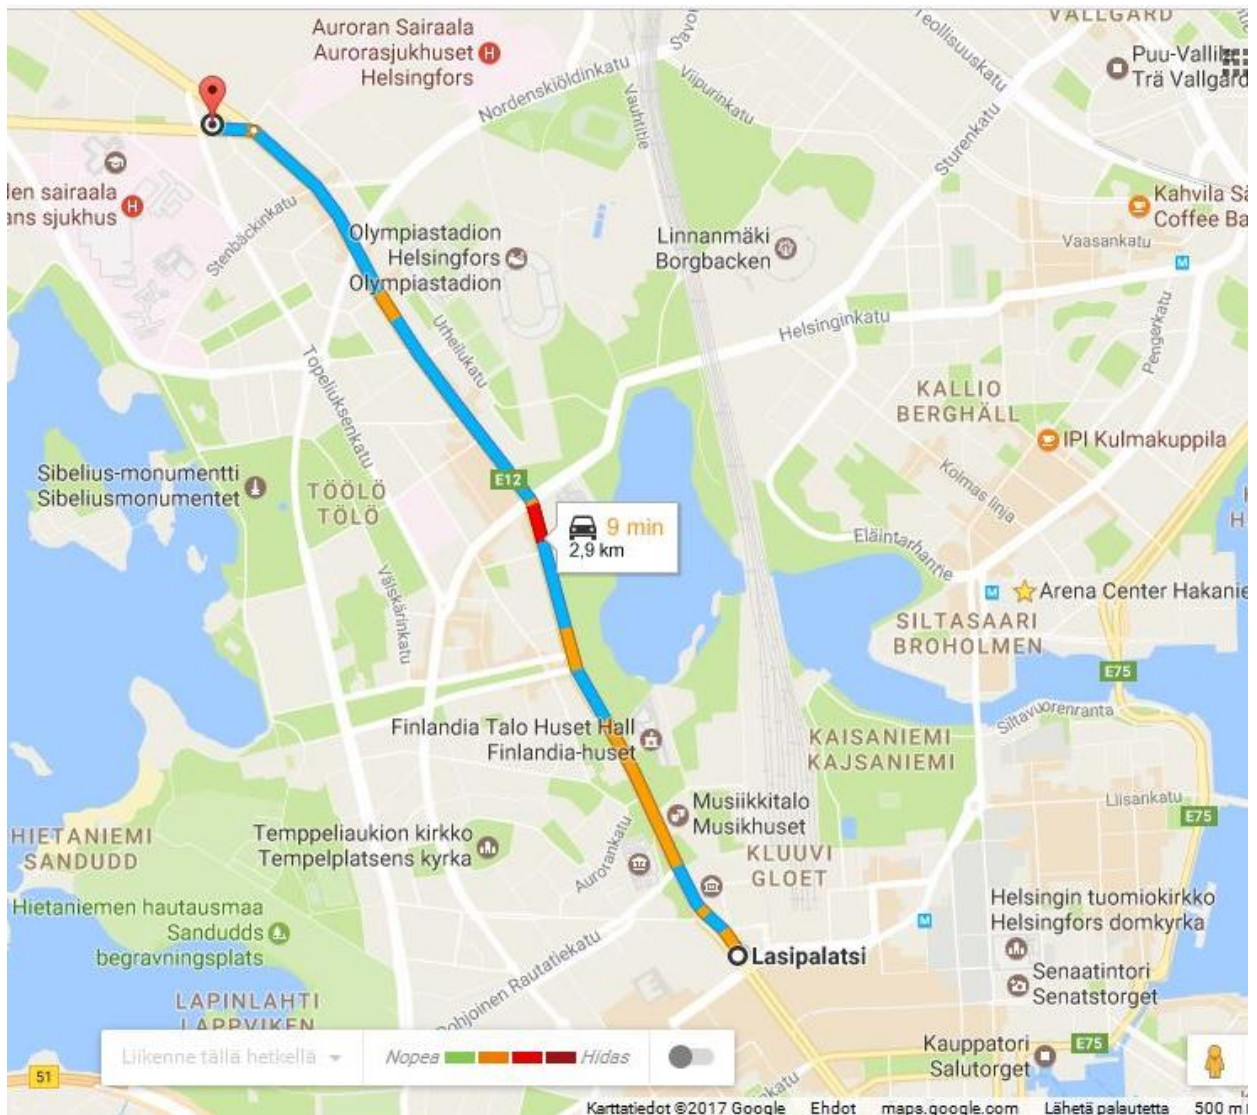

2.

Take Tram number 4 (to Munkkiniemi / Munksnäs), direction is to North (note: at the next track it goes to opposite direction, don't go to south as that track goes to harbour).

The tram 4 leaves every 6 minutes from the stop. You can drive with the same ticket that you bought from the train. Just jump in to the tram, you don't have to use ticket machine.

The Tram drives 3 km, takes 12-15 minutes, to Tukholmankatu. When the tram turns left after 12-15 mins drive, you should go out at this stop. The address of this stop is Tukholmankatu 1.

3.

Walk 100m from the Tukholmankatu 1 to Tukholmankatu 7, that is the address of Akusmata. It is an apartment house, Akusmata is at the underground level, at the street end of the house. You can see the Akusmata sign in the outdoor.
